

Recycling and Disposal

Burton & Smith Moving Limited has built up considerable expertise with the disposal and recycling of rubbish, electrical waste, furniture and confidential shredding. These operations are undertaken using qualified, trained and experienced reprocessing staff, in total accordance with Environmental Permitting Regulations.

- Re-using office furniture and equipment and recycling waste, thus turning waste into new products.
- Introducing Waste Management initiatives and schemes off and on site.
- We guarantee to dispose of waste in accordance with the requirements of Section 33 and 34 of the Environmental Protection Act 1990, Environmental Protection (Duty of Care) Regulations 1991.
- A Certificate of Destruction is issued to ensure our customers that their confidential waste has been disposed of in the correct manner.
